**DECLARATION RE COMMERCIAL SUCCESS
PURSUANT TO 37 CFR 1.132**

Applicant Mark C. Moore declares as follows. I am the inventor and the applicant for the patent. My product has been on the market for the past two years and has been and currently is being successfully sold and used. In the operation of my product it is very important that an enhanced degree of vibratory motion is imparted to the perforated drum through the boom and boom extension.

I hereby declare that the statements herein were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of the patent resulting therefrom.
